The charity for your community

giftaid it

Using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make and it doesn't cost you a thing.

Yes I wish all donations I have made for the six years prior to this year, (but no earlier than 6/4/2001) and all donations I make from the date of this declaration until I notify you otherwise, to be treated as Gift Aid donations.

To qualify for Gift Aid, what you pay in UK income tax or capital gains tax must at least equal the amount we will claim in the tax year.

At some point in our lives 41% of us will use the Citizens Advice Bureau.

With your help, we can continue to provide support to people in our community.

Make a difference.

We need your support to give our support – please become a Friend today.

Your local Citizens Advice Bureau is a charity and relies on volunteers and money raised locally. Help us to continue providing free information and advice services to people in our community.

Because of the number of clients we have, we know what major issues are within our community. We use evidence of our clients problems to campaign for improvements to policies and services.

For example, recent CAB influence has led to:

- An enquiry into the provision of NHS dentists
- New legislation regarding rent deposits
- Review and reform for the Child Support Agency

Citizens Advice Bureaux are the largest providers of free, independent and impartial advice in the UK. This includes help with problems such as debt, employment, housing, welfare benefits and relationship issues.

Receive our newsletter giving up to date information on news issues, advice and bureau news.
